

CAN'T MAKE IT TO A SESSION?

We are inviting anyone who can't come along to one of our community sessions to have their say online. Head to levelcrossings.vic.gov.au to have your comment on our online feedback tool called Social Pinpoint. View our Social Pinpoint map and have your say.

You may also want to sign up for email updates or connect with us on social media. We will send you the latest news directly and also let you know how you can have your say at each stage of the project. See the Contact Us information on the front.
