

### Important note about providing your email address

VCAT does not offer this service in addition to providing a hardcopy: it is an alternative. Please note that your email address will be available on VCAT's records for other parties to access. If you would prefer to receive a hardcopy of the decision by post or do not want other parties to have access to your email address, **do not** provide your email address.

If VCAT does not have your email address, you will be sent a hardcopy of the decision but you may receive it after other parties have received the decision by email and after the decision has been published.

VCAT does not accept any responsibility for emails not received due to changes in address, firewall or other security measures that may be attached to your email account.
