

12 October 2018

Dear Resident/Business owner,

Works alert – Nightworks - Friday 26 October to Sunday

28 October 2018

The Victorian Government is removing 13 dangerous level crossings on the Frankston line, and building a new train storage facility to improve safety, reduce congestion and run more trains, more often.

In 2019, work will start on the new Kananook Train Storage Facility and a new, modern Carrum station. In preparation for this construction, early works need to take place along the rail line, including on the track and overhead structures.

DAY AND NIGHT WORKS DURING OCTOBER

Works will take place between Friday 26 October to Sunday 28 October 2018.

Activities taking place

- Construction activities will take place along the track at Station Street and Armstrongs Road in Seaford
- Work on signalling equipment
- Delivery, unloading equipment and storing new rail tracks
- Piling activities on the Quinn Street footbridge
- Relocation of underground utility service relocations between Station Street and Armstrongs Road

What to expect

- New rail will be delivered and positioned along the rail line
- This work will be done during the day and at night and will generate some noise
- Construction personnel, vehicles and equipment will be on site

How this will affect you

- Noise generated by the transportation and delivery of rail will be noticeable
- There will be lights on at the work site at night
- Armstrongs Road and Station Street, Seaford will be temporarily closed at the level crossing
